SB210

As a busy Oregonian working multiple jobs, parenting, caregiving for parents in two different towns, and maintaining status a full-time college student I rely on Oregon's mail-in voting system. Mail-in voting is safe, secure, and easy. As a lifelong undeclared voter I appreciate mail-in voting because it gives me the ability to thoroughly and thoughtfully read up on the issues before casting my vote. Please keep mail-in voting for Oregonians.
