

Submitter:

Marjory S. Morford

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is one of the best attributes of living in Oregon. It allows me to be an informed voter as I read about the issues and candidates from my kitchen table. I do not want to stand in line to vote and not be able to check my notes, the voters pamphlet or my newsletters. I wish we had more vote by mail all over the country. Do not take this away.
