SB210

Hello Committee,

I oppose SB 201 to make in-person voting on the date of an election the standard method for conducting an election. In-person voting can be a hardship on so many people. Mail in voting allows for research, thoughtful determination on important voting measures and political members. I am proud to live in a state with mail in voting and oppose SB 201 to change that system.

Thank you,

Nicole Savara-Brown
