SB210

I've lived in Oregon for many years, and have always loved mail-in voting. That process makes it so easy to vote, and therefore is more likely than any other voting method to maximize the number of Oregon residents casting ballots. And THAT's what democracy is all about. Therefore, I urge the Senate Committee On Rules to vote AGAINST SB 210, so that voting by mail remains the standard method for conducting elections in Oregon. Thank you!
