I am adamantly opposed to this bill that would change Oregon elections. Oregon's mail in ballot system is working very well & should not be changed. Our elections seem to have very detailed measures & many officials to vote for. It's convenient to be able to thoroughly read the voter pamphlet & take the time at home to make informed decisions. Honestly, some years it takes me 2+ hours to fill out my ballot. It's nice that Oregonians can do it on their own time. I believe voter turnout will significantly decrease if we have to vote in person. Oregonians will have to wait in lines, take time off work, hire childcare & many others inconveniences to vote in person. Let's not mess with a good thing. I urge you to vote NO on this bill. Thank you.
