

Submitter:

Melissa Hartley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please retain Oregon's vote by mail laws.

Voting by mail allows more time to study what is being voted on. This should result in better outcomes.

Voting by mail is so much better than the old way: I remember waiting in lines at poll stations, having to figure out which precinct I was living in; finding out where voting was taking place for that particular election; rushing to get to the poll on time, and working people having to make sacrifices in order to vote, or else forego voting because it was so difficult to work around going to a poll to vote.

Vote by mail is so much better.

Keep Oregon voting by mail.

Melissa Hartley
