

Submitter:

George Worthington

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly support this measure. I've lived in Oregon for 30 plus years and was shocked that such a voting system was passed. This system has shown that it is certainly not as secure as in person voting. Now with questionable actions by the Oregon DMV by registering non citizens it's time for the state to admit this doesn't work as promised.
