

Submitter:

Terri Berkey Gonzalez

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

For nearly my entire voting years, I've been able to vote by mail. I appreciate taking the time to study the issues and people running for office without the stress of making it to a voting site and the stress of in person voting.

This has been a successful form of voting in Oregon and many other states. I support keeping vote by mail in its current form.
