I oppose passage of Senate Bill 210. Oregon has safe and reliable voting by mail. Mail-in ballots enable a broader number of OR citizens to vote, isn't that what we want...to hear the voices of all of our citizens? Mail-in voting helps those who have physical disabilities, people who live a long ways from the ballot box, people who can't get off from work or those who don't have childcare. Voting is a right and the state should continue offering mail-in ballots for all!
