SB210

I have voted in nearly every Oregon election since I was 18 years old and it has always been by mail. Mail in voting allows me to review all information and take my time selecting the right candidate. Having to vote in person on election day, which isn't even a State or Federal holiday, would be extremely inconvenient and would cause me to miss work to do so. Not everyone can have the time away from their job to participate for in person voting. Mail in voting allows everyone, no matter their income, job or location in the State to participate in voting. Mail in voting is safe and secure. Please oppose this bill!
