SB210

I don't know why we would repeal such a convenient option for Oregonians. I don't know why we are even voting on this. This has been such a staple to Oregon and how we conduct business here. I don't know why anyone would want to repeal it. As I personally have not seen nor heard of any voter fraud in this state. I also Don't know why this is such a pressing issue to the state legislature, when we have an affordability crisis in housing, and basic goods. This sounds like a waste of time and deliberate power grab. Please do not pass this harmful bill that would benefit no one.
