

Submitter:

Cecelia Goodnight

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I urge this committee to vote NO on SB210. Mail in voting has worked very well in Oregon and permits many who might not have transportation easily available to polling sites to exercise their right. Mail in voting also accommodates busy working parents and those who live far from in person voting sites. Please do not put up barriers that make it more difficult for citizens to vote.
