

I am writing in strong opposition to SB 210. Our vote by mail system is one of the greatest things about living in Oregon. We have enviably high voter turnout, well informed voters, and inexpensive elections. Our votes are far more secure than in states that use easily hacked electronic voting machines, and there is virtually no election fraud. Our elections are accessible to parents of young children, the disabled, those unable to access transportation, and the hardworking Oregonians who are time crunched from juggling multiple jobs. SB 210 would disenfranchise thousands of Oregon voters. Our election system is safe, secure, and successful. There is no reason to change it unless voter disenfranchisement is the goal.
