SB210

I am extremely opposed SB210 to end mail in ballots for voters in Oregon. Mail in ballots have proven to be the most safe and secure way of ensuring accurate elections. Additionally, it allows people living in rural areas to not have to travel distances to show up in person, it allows disabled, and elderly people to vote from their home at their convenience, it allows young people who are studying out of state to send in their ballot, and it is extremely effective. I have lived in Oregon for 35 years and have been proud of our safe and secure elections. Mail in ballots have been great! Please do not take away our mail in ballots simply because the Trump administrations wishes to suppress voting in any way possible and this is one such way. Thank you.
