SB210

I oppose SB210. Voting in person would be a hardship for many people. I am a senior citizen and appreciate the ease of voting by mail. Since Covid, many people avoid being in close proximity to others and standing on line. Having to vote in person would be a hardship for many people including those who are caretakers, work and have families.

It is better for the environment to have less people traveling to vote. Please oppose SB210.
