Measure, Appointment or Topic: SB210

I strongly oppose this anti-democratic bill SB210. There is no need for it and that is well known. Oregon's elections are the safest and most reliable, primarily due to automatic mail-in ballots.

This is a blatant attempt at voter submission, confusion, obscured voter rights, and reduced voter turnout.

I'm disgusted by this proposal. You must oppose this bill and restore voting rights

Respectfully submitted, registered Oregon voter
