

Submitter:

William S. Underwood

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am proud of Oregon's vote-by-mail system. It is secure, increases voter participation due to its accessibility and convenience, and in my opinion offers greater opportunity for voters to make more informed decisions. The only reason to dismantle it would be if certain interests in this state would like to discourage security, participation, and well considered outcomes in our elections. I oppose this bill.
