

Submitter: Bill Brown  
On Behalf Of: myself and other like people from Baker County  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SB210  
SB 210

I'm in support of SB 210 because it would support voting integrity in not only our County and State, but in our Federal elections. This would keep people from voting who aren't legally supposed to and will keep people from voting multiple times.
