Since I moved to Oregon, I have always voted by mail. I live in Myrtle Creek/Canyonville and the drop off is very convenient for me. Since I was diagnosed with non-hodgkin's lymphoma, it makes it easier on me if I don't have to go to public places and stand in line. Oregon has an excellent mail-in ballot system. Please don't dismantle it because other states are not confident in their balloting system. I am afraid that the average voting percentage of the Oregon population will decrease dramatically if you do pass this bill.
