On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly oppose only allowing in-person voting. You will not be including those that are eligible to vote but are physically unable to get to the in-person location. What about folks who are disabled etc. Not being inclusive of all eligible people is unacceptable and NOT Oregon. I STRONGLY OPPOSE SB 210.

Thank you,
Tricia Cook
