Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose state bill 210. Mail in voting has been safe, reliable, and accessible for 25 years. I have voted by mail in every election since its inception, and have appreciated how easy and convenient it is to use. Bringing back in-person voting is a blatant move to reduce the voting power of oregonians who experience barriers in accessing the voting booth - most often BIPOC and economically disadvantaged voters.
