Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am opposed to this bill. As a resident of this state for 50 years I welcomed the mail in ballot process when it began. It has been a highly successful program and of benefit to many voters who have transportation issues and those who may live many miles from a polling place. The notion that all eligible voters can vote on one day is laughable. It might have worked 50+ years ago but not now.
