

Submitter: Karen Good

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

The superfund needs to be used to pay ODOT their wages so we can all drive safely here in Oregon. Everyday someone tries to pass a bill for more money for their organization or idea. It is truly not fair that some of you are trying to tax us for everything under the sun without our vote to pay for these lofty Ideas. Please absolutely
