SB210

I strongly oppose this measure. I moved to Oregon 13 years ago from New York City, where the norm is waiting on long lines for hours on Election Day to vote. I'm so impressed with the way elections are run in Oregon. Giving voters time to make informed decisions. These measures are more GOP tactics to suppress votes. They want to make it more difficult for folks to vote. Please fight to save our current voting system. It's imperative to preserve democracy.
