SB210

I strongly oppose changing the current and long standing policy of voting by mail. In my opinion and experience voting by mail is secure and more accessible for all Oregonians. I especially like to be able to use the voter pamphlet while I am choosing how to vote on the measures. I see absolutely no reason to fix something that isn't broken. I think that vote by mail should be available to all voters in the country and would probably result in a much stronger voter turnout.
