

Submitter:

Christina Najdek

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I voted for the right to vote by mail in the 90's. With this we have some of the highest turnouts in the country. We've only minor issues over the years but overall it has been better than the hanging chads. Once we remove people's ability to vote the people of Oregon lose.
