SB210

Voting by mail in Oregon is overwhelmingly secure and accurate. We have never had an issue receiving our ballots, we're able to vote around our schedule, we utilize the option to drop them off at convenient ballot boxes, we can track our ballots, and if we ever have questions or concerns, the highly competent staff at our county elections office is more than happy to help. We can see through this attempt at making it harder for Oregonians to vote and to undermine confidence in our stellar vote-by-mail system that is the envy of the nation. There is zero need for this bill.
