

Submitter:

Jennifer Moran

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is equitable for the people of Oregon, ALL people. What a waste of time, money and resources to try and take us back to the time of having to stand in line to vote. Vote by mail has proven stats that this works. STOP wielding our right to vote as a weapon against democracy and start doing things that actually are needed.
