

Submitter: Rhonda Livesay

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting in Oregon has been conducted without major difficulties for years. The push for in person voting is a push to limit democracy and make it as difficult as possible for citizens to vote. Fraud is minimal. Having inadvertently voted twice in one election, I was quickly notified and warned that I could face criminal charges. So I personally know that the checks and balances are working.

Do not allow this allow this bill to progress.
