SB210

Oregon voter turnout is higher than the national average thanks to our vote by mail system. We need to ensure that everyone has a chance to vote. For many, it is a hardship to take time off work or childcare duties to go wait in line to vote. It is a great service to people with disabilities to be able to vote from home as well. It is convenient for all to send their vote by mail. The system is efficient and ensures that everyone's voice is heard.
