Measure, Appointment or Topic:

SB210

The Oregon Legislature MUST vote "NO" on this travesty of a bill which would return Oregon to the Dark Ages! This is an effort to suppress the votes of the elderly, the disabled, Blacks, Hispanics, and other People of Color!

Oregon's Vote by Mail is the Gold Standard of voting systems. Our State consistently has one of the highest rates of voter turnout in the Nation. Vote by Mail MUST be protected at ALL COSTS from this pro-Nazi attempt to deny tens of thousands of Oregonians of our voting rights!

Just say NO to SB 210!
