

Submitter:

Erin Stewart

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have been a resident of Oregon since 1991, and have used mail in voting for as long as it has been available to me. I feel that going back to in person voting, would be discriminating against those that are not as mobile, and don't have easy access to getting to a voting place. It also means having to be able to get out of work to vote, which is not always possible for people.
