

Submitter:	Charles Vial
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

We have a safe system of voting, and a high voter turnout due to the ease of using that system. This bill is nothing more than an attempt at voter suppression. As a patriotic citizen who actually is committed to democracy, I am sick to death of such tactics. I strongly advocate for defeating this bill along with any future attempts at voter suppression.
