

Submitter:

Mathieu Federspiel

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This change would make voting much harder for me and for most people. It challenges our right to vote. In this era we should be using all conveniences of modern society to make the citizen's right to vote as easy as possible. Do not make it more difficult and costly to vote by requiring in-person voting.
