

Submitter:

Christine Herrick

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I vehemently oppose SB210. I have lived in Oregon my entire adult life--I am now 75--so I remember the old days when we were required to stand in line and vote in person. Voting by mail is infinitely, infinitely preferable. The reasons advanced for returning to in-person voting are really just meant to keep people from actually voting. Please do NOT pass SB210!
