

**Subject:** Please Support Senate Bill 210 – Restore Confidence and Accessibility in Oregon Elections

Dear Senators Jama, Bonham, Golden, Manning Jr., and Thatcher,

I am writing today to express my strong support for **Senate Bill 210**, which proposes a return to **single-day in-person voting** while still allowing **vote-by-mail for those who cannot vote in person**.

This bill strikes an important balance between ensuring **election integrity** and **maintaining accessibility**. In-person voting on a single day fosters public confidence by providing transparency and consistency in the electoral process. At the same time, allowing those with legitimate barriers to apply for a vote-by-mail ballot ensures that **no voter is disenfranchised**.

SB 210 encourages civic participation while helping restore public trust in our elections. Many Oregonians want a voting process that feels secure and standardized, without losing the flexibility that mail-in voting offers for those with health, travel, or accessibility concerns.

Please consider voting **yes** on Senate Bill 210. Oregon has long been a leader in voting innovation—this bill represents a thoughtful step forward in strengthening our democratic process.

Thank you for your time and public service.
