

Submitter:

Andrew McAfee

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this measure. Universal mail-in voting is one of the best ways to make sure that even the most vulnerable of our citizens have their voices heard. I have lived in states where voting in-person was required, that meant taking time off of work, traveling long distances to a polling place, and waiting in long lines. This is not the way forward for our state.
