

Submitter:

Allen Newton

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose this bill to break a vote by mail system that works, is secure, and establishes trust in elections in the State of Oregon. This public testimony form is far less secure than the requirements for registering to vote, and to vote by mail. This bill is destructive at a time when it seems Republicans only exist to break everything that is known to be working and replace it with no working alternatives. I oppose this bill.
