

Submitter:

Barbara Tate

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a constituent of Oregon and oppose making in-person voting the standard for voting. I appreciate the mail-in ballot voting that Oregon has had for the past couple of decades. It is convenient, allows me to vote early as well as really study the measures and candidates prior to voting. I know many seniors who would be unable to participate in voting if standing in line were the only way. Please keep mail in voting intact.
