

Submitter:

Matthew Sztelle

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Dear Senate Committee on Rules,

I am a tax payer and registered voter of Oregon. I SUPPORT in person voting as the primary path for voting with concessions for those unable to vote in person. for example the disabled and active duty military members. I SUPPORT having valid identification. In the event the topic comes up, I want to make sure it is possible to use physical identification such as an Oregon State issued card versus a digital requirement.
