Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Dear Senators, I'm writing to let you know I strongly oppose this measure. Voting by mail is the most accessible way for Oregonians to vote. It allows everyone who is eligible to vote on a day that works for them, in the comfort of a space of their choosing and to take whatever time they need to complete their ballot.

Please do not approve this measure.

Thank you, Julia
