SB210

Why in the world would you repeal mail in ballots when the data clearly shows a higher voter turn out with mail in ballots? Why create unnecessary barriers for seniors and disabled individuals who want to express their opinions and vote? Don't you have better things to be wasting your time on like stopping a dictator and his horde of minions from running this country into the ground or worse to war? Pull your heads out and focus on what is critical to life: access to truly affordable housing, grocery prices that are out of control and lack of access to basic health care! So far your actions or rather lack of are disgraceful
