

Submitter:

Joanna Branvold

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Our mail-in voting system in Oregon has been a blessing for our state. It has proved to be safe. It encourages everyone to vote.....esp older folks, students who are out of their home town for college, working people, people who live in areas not easily transportable, etc.

I definitely support mail-in voting.
