

Submitter:	Nicolina Pistacchio
On Behalf Of:	The Vocal Seniority
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

We have a perfect system now with Vote by Mail. It is accessible to all registered voters regardless of ability to physically get to a polling place.

Prior to the implementation, I missed voting in an important election. I worked as a court clerk/bailiff and had to report to work prior to the polls opening. I was obligated to remain with the jury as they deliberated into the late hours.

That was traumatic for me and I've never missed voting since.
