Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting must be maintained so All Oregonians may vote. It's important for those people with mobility impairments, for people unable to readily get to voting booths because of job hours, and for those juggling work and family requirements. It's also important for seniors unable to easily get to voting booths. Voting by mail must be maintained. It's a tried and true system which increases our ability to voice our preferences for our leaders.
