SB210

I am writing in SUPPORT of in-person voting bill SB 210!

I am hearing more and more people speak about in person voting.

I personally question Oregon's elections as many I have spoken with do as well.

I had never voted by mail before moving to Oregon in 2012.

If Oregon has nothing to hide in what many consider unfair elections.

I can't see why this would be an issue, unless elections in Oregon are corrupt.

I see absolutely no issues with voting on election day, in person with valid and legal state issued ID.

Therefore I am in support of abolishing mail in voting in the state of Oregon effective by the next elections.

How is it that since MIV was approved by Oregon in 1998 there as NEVER been a Republican or Independent governor.

It is because of Oregon elections I changed my voting status from D to R.

Sincerely:

S. Griffin
