

Submitter:

Malia Cumming

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Hi,

Having the ability to vote by mail makes it much more convenient for me as a US citizen with a full time job to participate in elections. Taking it away would be a huge burden on me and many others. It's been a great system for voters turnout and civil participation. I will never support anyone who votes in favor of this bill.

Malia
