I love vote by mail! It makes it much easier for me to vote, and I can do it on my own time from my home. And I believe in encourages a lot more people to vote. Before vote by now we had to go to our precinct when it was open and cast a ballot. Please don't get rid of vote by mail. I wish it was available nationally. We want everybody to have the opportunity to vote and this is the best possible way. Without vote by mail, people have to arrange time off work to vote. We have been on the forefront for this issue. Let's not go back. Please keep vote by mail!
