SB210

Voting by mail makes it easier for all Oregonians to vote. Requiring in person voting would be a deterrent and present a hardship for those who have mobility issues, cannot take off work or don't have transportation to the polls- like me. Voting by mail has worked successfully in Oregon for over 20 years and improves voter turnout. Why would you want to make it HARDER for people to vote?! I strongly oppose this measure and urge you to do the same.
