

Submitter:

Susan Picologlou

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please keep vote by mail. It has worked extremely well. Oregon has one of the best rates of voter participation. As a senior citizen, vote by mail makes voting easy. Plus it seems to me that establishing voting places and the people to man them on voting days would be expensive, although I do not have data on that.
